ENCOURAGEMENT FOR THE JOURNEY

"BUT WHO DO YOU SAY THAT I AM?"

What if Jesus asked this question today? How would people respond? Some might focus on his role in history, saying, "You are the founder of the Christian religion." Others might describe his work: "You are a teacher, a healer, a spiritual guide." Perhaps there are some who would identify him by his character, suggesting that he is a loving, generous, compassionate, and forgiving role model. But surely some would answer in the same spirit as Peter in today's reading, "You are the Christ, the Son of the living God.

This is a profound statement of faith. To call Jesus "the Christ" is to profess that he is the Messiah, the long-awaited savior of God's people. To call him the Son of God is to profess that he is not only a miracle-working man, he is also divine.

"Flesh and blood has not revealed this to you," Jesus replied to Peter, "but my heavenly Father." In other words, recognizing Jesus as our savior and our God isn't something we figure out on our own. It's a spiritual insight that comes through faith.

Through faith, we know who Jesus really is: our God and our Savior. Thus, we are called to give him more than our respect and admiration as a remarkable man. We are called to give him our full allegiance and to worship him as the one true God. ~LPI

Action: Ask God to deepen your spiritual insight into this truth so that you will be able to share with anyone who might still be seeking an answer to this question.
